

Our office is located on the **10th floor** of The Tower at **1301 Gervais**. The parking garage entrance is on Gervais Street between the Bank of America drive-thru tellers and the high-rise.

There is a small sign that points to “The Tower” parking garage for 1301 Gervais Street. You can only enter it going West (towards the Vista) due to the median. If you are heading East, turn left onto Sumter Street, then right onto Lady Street, right onto Marion Street, and finally a right on Gervais Street to get to the garage entrance.

Once in the garage, visitors can park in the visitor spaces near the cross walk (on the 3rd floor) or on the 4th level and above. If you park in the spaces marked RESERVED there is a possibility you could get towed.

Please bring your parking garage ticket so that we can stamp it for you.
